

RoHS Declaration

Won-Top Electronics Co., Ltd. (WTE) warrants that all its packing, components and/or products supplied to the Customer and/or its affiliated companies or designated contractors will not contain the banned substances, as mentioned in the appendix to this Declaration, in quantity levels higher than or equal to the thresholds referred to in the same appendix to this Declaration.

This warranty does not impact WTE's guarantee for its packing, components and/or products to meet the specifications and all legal requirements of the country of final destination of its packing, components and/or products, if that country is made known to WTE. Or reasonably could have been known by WTE.

WTE will indemnify and hold the Customer and/or its affiliated companies harmless against any and all actions, claims, damages and/or costs arising out of WTE's infringement of the guarantee under this Declaration.

WTE warrants that no Banned Substances are present the supplied packing, components and/or products in accordance with EU directive 2011/65/EU Annex II and amending EU directive 2015/863/EU unless otherwise indicated.

Yours sincerely,

Robert Ma

List of Banned Substances

All articles (i.e. materials, components, subassemblies or products) must be free from the following substances:

Substances	Declaration Threshold (Note 1) ppm (mg/Kg)
Cadmium and cadmium compounds	100
Lead and lead compounds	1000
Mercury and mercury compounds	1000
Hexavalent chromium compounds	1000
Asbestos (all types)	10
CFCs, Chlorofluorocarbons	0
HCFCs, Hydrogenated chlorofluorocarbons	0
CHCs, Chlorinated hydrocarbons	0
PBDEs, Poly brominated diphenyl ethers	1000
PBBs, Poly brominated biphenyls	1000
PCBs, Poly chlorinated biphenyls	10
PCTs, Poly chlorinated terphenyls	10
PCP, Pentachlorophenol	10
DEHP, Bis (2-ethylhexyl) phthalate	1000
BBP, Butyl benzyl phthalate	1000
DBP, Dibutyl phthalate	1000
DIBP, Di-isobutyl phthalate	1000

Product packaging must be free from the above mentioned substances including:

Substances	Declaration Threshold (Note 1) ppm (mg/Kg)
Cadmium, Mercury, Lead and Chromium VI	100 (Note2)
PVC and PVC blends	1000

- Note 1. In fact, banned substances are not to be intentionally used, that is, Won-Top Electronics Co., Ltd. accepts that certain materials contain a certain amount of **naturally occurring** banned substances. Thresholds mentioned do not represent any legal limits, but refer to currently accepted analysing thresholds.
2. For packaging, the sum of the concentrations of the listed substances on components level may not exceed 100 ppm.
